

MIRAGE™ SPM-1300-BF **NEW!**

1-Wire Surveillance Kit - Lapel PTT with **BRAIDED FIBER**

PRYME®

The new MIRAGE-BF™ series products feature our CUSTOM MADE BRAIDED FIBER CABLE developed in our own factory for superior bending and pulling strength. In fact we are so confident in the quality of our new cable, we will replace it for free if it ever breaks.

The SPM-1300-BF has all the features of our popular MIRAGE™ - rugged, dual-PTT switches, Twist Connect clear tube, loud speaker, included semi-custom ear mold, but made with our new BF cable.

Now you have two choices! Traditional PU coiled cable or new Braided Fiber cable for exactly the same price.
